Students from American University Law School, Catholic University Law School, Georgetown University Law School, George Washington University Law School, and Howard University Law School were invited to attend. After a brief introduction of the FBA by Denise Krepp, section chair, students were able to find out more about careers in transportation law. Attorneys from private practice, the Federal Aviation Administration, the Federal Railroad Administration, the Maritime Administration, and the Department of Transportation's Office of the General Counsel attended the social and were available to answer the students' inquiries.
