## FBA Judicial Profile Index

### A Valuable Benefit of Your Membership

THE  
**FEDERAL LAWYER**  
The Magazine of the Federal Bar Association

## JUDICIAL PROFILE INDEX

This index contains profiles as they were published in *The Federal Lawyer* magazine. This index is organized by circuit and district, which can be accessed via the tabs at right.

If you would like to search for a specific judge, it is recommended that you use the search function above and type in the judge's last name. This index will be updated with both new profiles and historical profiles on a regular basis.

If the judge you are looking for does not appear, this either means that they have not yet been added to the index or have not been profiled. *The Federal Lawyer* encourages submissions of judicial profiles; contact Managing Editor Sarah Polman at [spolman@fbar.org](mailto:spolman@fbar.org) for more information.

This digital publication contains profiles as they were published in *The Federal Lawyer*. Organized by circuit and district, the index currently contains profiles published from January 2001 to April 2017 and is expanded often.
