

Minutes of meeting held on March 14, 2023

Since the newly elected secretary Jan H. Brown received late notice of the meeting, he missed the first 10 minutes. As an aside, I am pleased and honored to be able to assist our organization in the capacity of secretary.

Due to the unfortunate demise of Armen Kharazian, a discussion was held as to an award by the Senior Lawyers Division which would bear Armen's name, beginning next year and as to whether this should be an annual award to recognize work done on behalf of the Senior Lawyers Division by an individual member. In the alternative a donation in his name to a charitable organization was also discussed. There was no resolution to this discussion.

There was a discussion next about a joint program with the Younger Lawyers Division. Mike said he wasn't aware of any proposed programs.

Programs for the remainder of the 2022-2023 year were discussed. Topics included a webinar on Ergonomics and a webinar concerning the Holocaust.

Frank discussed monthly social gatherings by our division, and whether they should be held on the last Friday or every month or quarterly.

Reminder: Capitol Hill Advocacy day is March 23<sup>rd</sup>.

Discussion was held concerning how to expand the presence of the Senior Lawyers Division in the FBA magazine since many of the contributors of the magazine are senior lawyers. Additionally, how to get senior readers of the FBA magazine to join our division.

Consideration was given to whether the Diversity Committee and the Senior Lawyers Division can work together on projects.

Richard raised the issue of the status of assisted living facilities as a topic for a possible webinar, touching upon the issues of adequate supervision, regulation, litigation and the effect of a person's death.

The meeting then concluded.

Respectfully submitted,  
JAN H. BROWN, Secretary
