

Intellectual Property Section

On Jan. 12, 2012, the Intellectual Property Section co-sponsored a breakfast series along with FBA Massachusetts Chapter and the Boston Bar Association Litigation and Intellectual Property Sections that featured Judge Douglas P. Woodlock. The event was held at the John Joseph Moakley Federal Court-

house. Judge Woodlock provided his perspective on practical tips for claim construction (Markman) hearings. The interactive discussion touched on issues common to Markman hearings, including the use of technology tutorials, live witnesses, and experts, as well as mistakes made by attorneys (and judges) during these proceedings. **TFL**
