Re: South Florida Chapter of the Federal Bar Association
Proposal to Host 2020 Annual Meeting and National Convention

Dear Convention Committee:

On behalf of the judges of the U.S. District Court for the Southern District of Florida, I write to convey our Court's strong support and enthusiasm for the South Florida Chapter's proposal to host the national FBA Annual Meeting and Convention in September of 2020.

Our judges, law clerks, and practitioners benefit from the South Florida Chapter's excellent programming and efforts to foster a professional comradery. Attorneys and judges regularly attend, and look forward to, programs such as Boardroom Lunches, awards ceremonies, the Federal Judicial Reception, women's initiative events, and the list goes on.

As one of the largest FBA chapters, I am certain that the South Florida Chapter is up to the task of hosting the national FBA events in 2020. I am also certain that members of the judiciary and the Bar will be delighted to participate in and attend the National Convention and Annual Meeting.

I need not elaborate on the many attributes of South Florida that make it an ideal location to host the Annual Meeting and National Convention. However, I can say with

certainty that the many convention facilities, hotels, local fare and sunny clime would serve as a wonderful location for an event such as this.

Sincerely,

A handwritten signature in black ink, appearing to read "K. M. Moore". The signature is fluid and cursive, with the first letters of each name being capitalized and prominent.
