20 SPONSORSHIP PROSPECTUS

Federal Bar Association
2020 NATIONAL CONFERENCE SPONSORSHIP PROSPECTUS

The Federal Bar Association provides a customized branding and marketing program that offers sponsorships by event or by marketing objective.

History has shown us that when we strategically collaborate, we have the power to inspire, connect, transform and deliver new opportunities and rich experiences. Last year the Federal Bar Association’s (FBA) national conferences had over 3,000 attendees, 175 CLE sessions, and 100 sponsors. We expect 2020’s conferences will be even bigger and better, and we hope you’ll join us!

ADVOCACY
The FBA monitors and advocates on federal issues that impact the practice of federal lawyers and the courts and it keeps its members abreast of current federal issues.

NETWORKING
The FBA connects members with a vast network of federal practitioners across all 50 states, the District of Columbia, Puerto Rico, and the Virgin Islands and provides opportunities to socially interact.

LEADERSHIP
The FBA provides opportunities for members to participate in association governance and help shape the FBA’s future while making and impact on the growth of the federal legal community.

LEARNING
The FBA provides various educational and learning opportunities at the national and local level and promotes high standards of professional competence and ethical conduct to the public they serve.
