Re: *The Federal Bar Association South Florida Chapter's Bid to Host the 2020 Annual Meeting*

Dear National Convention Committee:

On behalf of Greenberg Traurig, P.A., I am pleased to support the South Florida Chapter of the Federal Bar Association's (South Florida FBA) in its efforts to host the 2020 Annual Meeting in Miami.

Many people would agree that Miami, the "Magic City", has "something special" that makes it a destination people want to visit. Selecting Miami as the 2020 FBA National Meeting host city would generate excitement among FBA members and would-be members, driving them to be a part of the momentum and force that is the FBA. As the gateway to Latin America and the Caribbean, Miami is home to the largest concentration of international banks in the United States, and more than 1,400 multinational corporations have either a global or regional headquarters in the city. The global nature of Miami's legal and business community presents an optimal environment and backdrop to highlight the FBA's ongoing significance to businesses and to the practice of law.

Equally important, there are a number of competitively priced, quality hotels and convention center facilities here that can host our prestigious event. Visitors will enjoy Miami's highly-rated and diverse culinary dining options, as well the dynamic nightlife. Miami is accessible by car for those within Florida and served by two major international airports for those traveling from elsewhere.
