# 2015 Labor & Employment Law Conference

MARCH 12-13, 2015 • NEW ORLEANS, LA

The Labor & Employment Law Section of the Federal Bar Association proudly presents the 2015 Labor & Employment Law Conference, which will be held March 12-13, 2015 at the Westin Canal Place in New Orleans.

With representation at the conference, you will have the opportunity to interact with professionals who are decisionmakers within the federal legal community.

## About the Federal Bar Association:

The Federal Bar Association (FBA) is dedicated to the advancement of the science of jurisprudence and to promoting the welfare, interests, education, and professional development of all attorneys involved in federal law. Our members run the gamut of federal practice: attorneys practicing in small to large legal firms, attorneys in corporations and federal agencies, and members of the judiciary. The FBA is the catalyst for communication between the bar and the bench, as well as the private and public sectors.

The FBA supports our members in four critical areas:

### Advocacy

The FBA monitors and advocates on federal issues that impact the practice of federal lawyers and the courts and it keeps its members abreast of current federal issues.

### Networking

The FBA connects members with a vast network of federal practitioners across all 50 states, the District of Columbia, Puerto Rico, and the Virgin Islands and provides opportunities for judges and attorneys to professional and socially interact.

### Leadership

The FBA provides opportunities for members to participate in association governance and help shape the FBA's future while making an impact on the growth of the federal legal community.

### Learning

The FBA provides various education and learning opportunities at the national and local level and promotes high standards of professional competence and ethical conduct.
