Guests will ride the trolley or walk to Riverfront Park to see hundreds of teams compete for over \$100,000 in prizes and supreme bragging rights. Teams adorn their areas with elaborate decoration, trophies attesting to their boasting rights, and as one can imagine, clever and creative team names. While grilling is the main theme, the contest wouldn't be complete without the

Ms. Piggie Idol competition where grown men dress in tutus and snouts and women kick their heels (hooves) up.

Please visit www.memphisinmay.org for more information or sign up on your registration form. Tickets are \$8.00 for a single day pass (general admission).

Things to Do.....

It's the Birthplace of Rock 'n' Roll, the Home of the Blues and the starting point of soul. Music legends including Elvis Presley, Johnny Cash, B.B. King, W.C. Handy and Otis Redding made their marks on Memphis, where you can hear their influences today. To complete the "musical medley," visit Graceland, Sun Studio, the Stax Museum of American Soul Music and the Memphis Rock 'n' Soul Museum. At night, take a walk down Beale Street and listen to the live music Memphis makes today. We hope while you here, you can visit some of our wonderful tourist attractions.

THE BELZ MUSEUM OF ASIAN & JUDAIC ART: Located at 119 South Main Street in the Pembroke Square Building, the museum is one block west of the Peabody Hotel and is accessible from the Main Street Trolley line. Founded in 1998, the Belz Museum of Asian & Judaic Art is home to a diverse, world-class collection that spans the art of distinct cultures and time periods, including imperial Asian art, contemporary Judaica, a selection of natural history objects and various examples of art and craft from around the world. **HOURS:** (Closed Mon) Tues-Fri 10:00am-5:30pm; Sat & Sun: 12 noon-5:00pm Visit the Belz Museum on the web at: www.belzmuseum.org for more information.

BEALE STREET: No trip to Memphis is complete without a walk down Beale Street. With over 25 clubs and shops to choose from Beale Street has something to offer almost everyone. You could slip into Wet Willies and get some of the best daiquiris on the street or you could mosey on down to Blues City Cafe and sample some of the specialty food in the world. Art galleries, t-shirts, good music, getting your fortune told, strange cargo, you name it and Beale St. probably has it.

TROLLEY STOP TOURING: Ride in an authentic vintage trolley car along a breathtaking stretch of the mighty Mississippi River.

There's no better way to get a nostalgic glimpse of Memphis. All the intricate details of the old trolleys have been faithfully restored to their original elegance. The Main Street Trolley operates along the beautifully updated Main Street Mall and serves many downtown landmarks. The famous Pinch District, Cook Convention Center, Civic Center Plaza, Court Square, Peabody Place, Beale Street, National Civil Rights Museum, FedEx Forum and the South Main Historic Arts District can all be easily accessed by the Main Street Trolley. Riders can take the Riverfront Loop Trolley to visit the

Tennessee Welcome Center, the grounds of the Pyramid Arena and Mud Island with its Mud Island Monorail, the 5-block long River Walk, and the Mississippi River Museum.

MEMPHIS ZOO AND AQUARIUM: At the Memphis Zoo, get nose-to-nose with polar bears and splashed by sea lions in Norwest Passage. Visit giant pandas "Ya Ya" and "Le Le" in CHINA, a breathtaking Asian-inspired exhibit. Take in the sights and sounds of Yellowstone National Park at the new exhibit Teton Trek, featuring grizzly bears, elk, timber wolves and trumpeter swans. The Memphis Zoo is an interactive and fun experience for the whole family. Find out what has made it America's #1 Zoo! For more information:

www.memphiszoo.org

GIBSON BEALE STREET SHOWCASE FACTORY TOURS: An opportunity to witness the intricate process in the making of a Gibson guitar. You will visit stations specializing in the binding, neck-fitting, painting, buffing, and tuning that creates these incredible musical instruments. See and hear how Gibson has helped shape the world of music for over 100 years and continues to set the pace for the musical innovations of tomorrow. Tour lasts approximately 45 minutes. You will definitely have a new found respect for the guitar once you have seen the craftsmanship that goes into this art form. www.gibson.com

MEMPHIS ROCK 'N' SOUL MUSEUM: Even its location on the legendary Highway 61 and Beale sets this museum apart. The Memphis Rock 'n' Soul Museum offers a comprehensive Memphis music experience from the rural field hollers and sharecroppers of the 1930s, through the explosion of Sun Studio, Stax and Hi Records and Memphis' musical heyday in the 70s, to its global musical influence. Stroll at your own pace through the seven galleries featuring 3 audio visual programs, more than 30 instruments, 40 costumes and other musical treasures. The audio tour provides over 300 minutes of information, including over 100 songs. www.memphisrocknsoul.org

NATIONAL ORNAMENTAL METAL MUSEUM: Located high on a bluff overlooking the Mississippi River, the Metal Museum is the only institution in the United States devoted exclusively to the presentation and promotion of fine metalwork. Changing exhibits of historic and contemporary metal art. Working blacksmith shop. Shaded sculpture garden overlooking the Mississippi River. Beautiful gift shop featuring jewelry, sculptures and much more. The Museum's permanent collection, displayed periodically, numbers more than 3,000 objects--some as many as 500 years old. Friendly and knowledgeable staff guides groups through museum exhibits and blacksmithing demonstrations in the smith. Visitors view the Mississippi River from the sculpture garden. A unique small museum - Memphis' "Best Kept Secret."

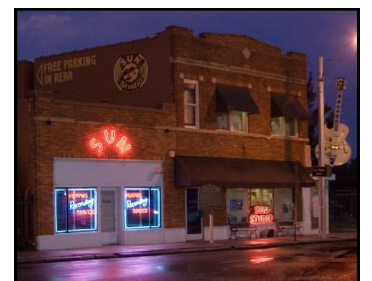

www.metalmuseum.org

STAX MUSEUM: From 1959–1974, a tiny movie-theater-turned-recording-studio in Downtown Memphis produced a string of hits that stirs souls today. The tour starts with a short introductory video (which alone is worth the price of admission!). From there you will see an amazing collection of more than 2,000 interactive exhibits, films, artifacts, items of memorabilia, galleries, and – of course – Isaac Hayes' gold-plated, peacock blue 1972 Superfly Cadillac El Dorado. While touring the museum, you will hear Stax hits including "(Sittin' On) The Dock of the Bay" by Otis Redding, "Green Onions" by Booker T. and the MGS, "Do the Funky Chicken" by Rufus Thomas, and "Theme from Shaft" by Isaac Hayes. Soulsville U.S.A. (www.staxmuseum.com) needs to be part of your Memphis music pilgrimage.

SUN STUDIO: During the tours that are given at the bottom half of every hour, you will experience outtakes from recording sessions, touch Elvis' first microphone and hear the real history of the studio that launched the careers of Elvis Presley, Johnny Cash, Jerry Lee Lewis, Carl Perkins, B.B. King and many more. What trip to Sun Studio would be complete without adding to your music collection or grabbing one of the best milkshakes in town. Sun Studio is still an active recording business for many notable artists including U2, JW-Jones, Hubert Sumlin, Larry Taylor and Richard Innes, John Mellencamp and more. www.sunstudio.com
