TAX LAW HAS GONE MOBILE!

We teamed up with CrowdCompass to build an app that will enhance this year's experience and value for our attendees and speakers. The FBA Conference app will provide networking, schedules, social media and much more in the palm of your hand:

- Access the event schedule and customize your agenda with personal appointments
- See all the speakers, read their bios, and view their presentations
- See who's attending and share contact information by networking with other attendees

- Tag the event with #TaxLaw17
- Interact with other attendees
- Post directly from the conference app
- Share photos of your experience
- Further discussion on panels/ topics after the sessions are over

GET THE APP

- Access the **App Store** on iOS devices and the **Play Store** on Android
- Search for "FBA Conferences". Once you've found the app, tap either Download or Install. After installing, a new icon will appear on the homescreen.
- Click on the FBA icon to open the app and begin your mobile experience.

CONFERENCE MATERIALS

In an effort to maintain a more sustainable conference, we have gone paperless. Session materials and a speaker directory have been posted to each session in the mobile app. To access conference materials on a desktop visit <https://crowd.cc/taxlaw17>

Physical copies of slides and other materials will not be made available at the conference. The mobile app will be available during and after the event.
