Federal Bar Association [Virtual] General Rules of CLE Attendance

Attendees must participate in the session's live broadcast, answer engagement polls, and accurately enter his/her bar number in the session's entry form to receive credit.

CLE Credit will be processed/reported approximately 4-6 weeks after the event date and available for credit in states that allow credit for live webinar presentations. Certificates and required documentation for self-reporting states will be issued via email, upon state bar approval.

Thank you in advance for your patience, as state bars are experiencing significant delays with virtual program processing.

Note, CLE rules and requirements are subject to change.
